Sire: **KELKETTE PARK SILVER EXCELSIOR** (c, by Kelkette Park Diplomat) as a young horse competed successfully in endurance with **wins** in 80km and 120km endurance rides. He has proven to be an outstanding sire especially when crossed with our **Mustafa** mare "**Lorraine**". Geldings **Oso Lexus** and **Oso Larrikin** are both just under 16hh and are now competing in the UAE after proving themselves in Australia in 80km through to 160km endurance rides. Both of these geldings have exceptional recovery times and an excellent attitude to their work.
